Biography

APHE is a techno DJ and producer based in Essen, Germany. [1] Since 2012, APHE has been an active force in the electronic music scene, beginning with a career behind the decks. [2] In 2017, APHE started producing original music. [3]

Since then, APHE has developed a sound that blends Dark Minimal and Psy Techno. [4] The productions are described as driven by powerful grooves, hypnotic arrangements, and immersive soundscapes, with organic textures, unconventional sound sources, and a strong sense of storytelling. [5]

APHE's musical roots lie outside electronic music. [6] As the former vocalist of a metal band, APHE still carries the uncompromising energy, emotional intensity, and DIY ethos of that scene, complemented by a punk-inspired aesthetic. [7]
