

CP (AUS)

// Elemental, frequency-driven sonic journeys bridging worlds through dance and vibration. //

Biography

CP is born in the frequency realm of 432hz, engaging all four elements of Earth to guide a lucid and euphoric journey through the space-time continuum. He transforms dance energy into dance healing through his journeyed sets, hoping each listener receives the one message meant for them. With a high-energy presence behind the decks, CP curates an energetic forcefield that becomes contagious. Each journey takes you deeper into the realm of where life began — back to our true start. Embark on the path and fly through the dreamtime with CP. Peace and humbleness to all entities. As CP (AUS), his mission expands beyond the dancefloor. He channels the ancient pulse of this land, weaving its elemental spirit into every set. The frequencies become a bridge between worlds — grounding, awakening, and reconnecting dancers to the timeless energy that flows beneath all things. CP (AUS) stands as a conduit for unity, presence, and transformation, inviting every soul to step into their highest vibration and remember who they truly are.
