

# Lone

*Nottingham-born electronic musician known for dreamy breakbeat and cosmic house* ☐☐☐

## Biography

Matt Cutler, known as Lone, grew up in Nottingham and began releasing music in 2007 on Paper Recordings<sup>[^15]</sup>. His debut album Everything Is Changing Colour (2008) on R&S Records blended lush ambient textures with breakbeat rhythms, earning widespread praise<sup>[^16]</sup>. His 2012 release Emerald Fantasy Tracks solidified his reputation for melodic, pastoral electronic music, followed by Galaxy Garden in 2014, which critics hailed for its vibrant production<sup>[^17]</sup><sup>[^18]</sup>. Lone also records under the alias HIA and continues to tour internationally<sup>[^15]</sup>.
