Biography

Miguel Migs is the stage name of Miguel Steward, an American deep house DJ and producer born in Santa Cruz. His full name is Miguel Sundance Steward. He picked up the guitar in his early teens and first wrote songs and played in dub and reggae bands. At 18 he became the songwriter and lead guitarist for the Santa Cruz dub band Zion Sounds. In the early 1990s he connected with the soulful sounds of deep house, and by the mid-1990s he had begun producing electronic dance music. He emerged from the 1990s deep house underground, and by the start of the new millennium a string of releases and remixes on leading indie dance labels had built his reputation with dance music fans worldwide. He also released work as Petalpusher and became a stalwart of the Naked Music label with his original productions, remixes and compilations.

He co-founded the label Transport Recordings in 1998, and in 2004 he started his own label, Salted Music. Salted Music is an independent electronic dance music label based in San Francisco, California, and he is its founder. He has produced more than 100 remixes, including work for Britney Spears, Macy Gray and Lionel Richie.

He has made music with several collaborators. He released eight records with Lisa Shaw between 2007 and 2025, including Liberate Yourself and Promises (Remixes). He released three records with Meshell Ndegeocello between 2011 and 2015, and three with Jay-J between 2001 and 2003. He also released three records with Andy Allo in 2021, including the *Sensations* remixes, and one with Martin Luther McCoy in 2025 on *Keep On Dreaming*. Other single collaborations include *Connectivity* with Ursula Rucker and *It Feels Alright* with Hiva, both from 2024, and *Into The Red Sky (Remixes)* with Aya from 2023. In 2025 he remixed Britney Spears's “Oops!…I Did It Again”.

His latest release is the album *The Sound Vault, Part 4*, from 2026. Before it he released *The Sound Vault, Part 3* in 2026 and the single *Liberate Yourself* in 2025, both on Salted Music. Earlier, *The Sound Vault, Part 2* came out on Salted Music in 2024, and the album *Shaping Visions* appeared in 2021 on Soulfuric Deep.
