

# Naiyah

*Minimalistic, psychedelic, and progressive techno journey-maker* 🌈🌈

## Biography

Naiyah, born Natasha Newman, is an Australian DJ whose sets weave layers of minimalistic, psychedelic and progressive techno, drawing listeners into immersive sonic journeys<sup>[1]</sup>.

She has been hand-picked for Frisson Records' 2025 takeover, cementing her reputation as an up-and-coming talent on the national techno circuit<sup>[1]</sup>.

Her festival credits include Initiation Festival, Earth Frequency (as part of Love Camp) and Wizards of Kingston, alongside numerous club nights throughout New South Wales<sup>[1]</sup>.

Naiyah's live performances are noted for their dynamic interplay between driving percussion and hypnotic atmospherics, earning her a fast-growing following across the East Coast<sup>[1]</sup>.
