

Paula Temple

German techno producer known for uncompromising industrial sounds and politically charged performances ☞☞

Biography

Paula Temple was born in Leipzig, Germany and studied classical piano before turning to electronic production in 2008^[7]. After early releases on Axis Records and 50 Weapons, she broke through in 2016 with the track "Joshua & Goliath" on R&S Records, named Best Techno Track by multiple outlets^[8]. In 2018 she founded her own label, Temple Sound, releasing boundary-pushing techno. Temple is celebrated for high-intensity DJ sets at Berghain, Awakenings and Time Warp, often incorporating live modular synthesis^[9]^[10].
