Plastic Robots

Brazilian duo Nando Scheffer and Daniel Queiroz, blending house and techno

Biography

Plastic Robots is an electronic music duo made up of Nando Scheffer and Daniel Queiroz, based in Santa Catarina, Brazil.[1] Their sound is a four-on-the-floor blend of house and techno.[2]

Their catalogue goes back to *MEGATRON* on Inminimax Records (2014).[3] They released early on mau5trap and Sink Or Swim Records, and made their Dirtybird debut in 2019 with *Silent Fury*.[4] In 2020 *Time's Up* came out on Insomniac Records and mau5trap.[5]

They followed up on Dirtybird with the single *Tell Me Something*, and have played the label's Dirtybird Players tour in the United States.[6]

More recent releases include *Self Control* on Hollystone Records (2024), *Look Around You* on Kinetika Music (2024) and *Cosmic* on Warbeats Records (2026).[7] Collaborators include House Divided (*The Faith*), illusionize (*Boom*, *Body Control*), Fab Massimo (*Cosmic*) and Eivo (*Look Around You*).[8] Their own profile also lists Sprout Music among their labels.[9]
