

Reverse Osmosis

Psychedelic and minimal techno producer from Indore, India—hypnotic grooves, driving basslines, and a technical mastery of modern electronic mixing. 🎧🎧

Biography

Reverse Osmosis is Rohit Naik, an established minimal techno and psychedelic producer/DJ originally from Indore, India. Known for his crisp sound design and deep, trippy sets, Reverse Osmosis began performing in underground Indian clubs in the early 2000s, later developing a reputation internationally. His production work spans atmospheric minimal techno, deep tech, and experimental sounds, often featuring hypnotic bass and tribal rhythms. Rohit also runs mixing/mastering and coaching for the local scene and is featured on streaming performances in India and Europe.
