

Von Barron

Psychedelic techno architect with driving basslines ☐☐☐

Biography

Von Barron is a Brisbane-based DJ whose sets traverse dark, minimal and psychedelic techno soundscapes, drawing listeners into intense, visceral sonic voyages^{[^1][^2]}.

He debuted at Spring Campout Festival, quickly cementing his reputation as a rising talent in Australia's underground techno scene^[^1].

His affinity for driving basslines and hypnotic atmospheres earned him a spot in Frisson Records' Top of the Morning takeover series (Volume 29) in 2024^[^1].

He contributed a Frisson Mini Mix on Kiss FM's Lektronic Show, showcasing his mastery of dark minimal and bush techno textures^[^2].

Von Barron continues to curate evocative techno journeys across Queensland clubs and online platforms, building momentum with each appearance^{[^1][^2][^3]}.
