Von Barron

Psychedelic techno architect with driving basslines □□□

Biography

Von Barron is a Brisbane-based DJ whose sets traverse dark, minimal and psychedelic techno soundscapes, drawing listeners into intense, visceral sonic voyages[^1][^2].

He debuted at Spring Campout Festival, quickly cementing his reputation as a rising talent in Australia's underground techno scene[^1].

His affinity for driving basslines and hypnotic atmospheres earned him a spot in Frisson Records' Top of the Morning takeover series (Volume 29) in 2024[^1].

He contributed a Frisson Mini Mix on Kiss FM's Lektronic Show, showcasing his mastery of dark minimal and bush techno textures[^2].

Von Barron continues to curate evocative techno journeys across Queensland clubs and online platforms, building momentum with each appearance[^1][^2][^3].
