Welcome to wikiDJ

Welcome to **wikiDJ**, the community-powered encyclopedia for DJs and Producers.

Our goal is to create a comprehensive and accurate resource for music artists that may not meet the notability requirements of other wikis (we're looking at you and your biased ways, wikipedia!).

How to contribute:

- To add a new artist, simply type their name in the search bar at the top of the page and press Enter.
- If the page doesn't exist, you will be invited to **"Create this page"**.
- Please fill out the form and the rest of the page using the template provided.

Explore the database:

- Browse All Artists by Country
- Browse Producers
- Browse DJs
